Family Picnic

Please do keep the 18th July free for an informal get together in Old Deer Park. Hopefully the weather will be fine and we can spend some time getting to know each other.

Dear Parents and Friends of Deer Park School,

It gives me great pleasure to announce our very first members of staff at Deer Park School. Both Sanah and Jennifer are experienced qualified primary school teachers and were appointed from a very strong field of applicants. I am very much looking forward to working with them both.

The school uniform is in the final stages of design completion – the children will certainly be looking very smart. Our uniform will be stocked in Stevensons in Twickenham and we'll be organising a 'uniform fitting' day very soon. For a sneak peak I've included the actual embroidered logo top right of this page!

We are already busy ensuring our provision for September is of the highest quality and we will also be in touch with you individually to arrange a convenient time to visit you and your child at home. In the meantime, please don't hesitate to contact me by the email or phone number above.

"I am absolutely delighted to be appointed as Assistant Headteacher of Deer Park School. I enthusiastically look forward to working with the team in order to create an excellent school. I am a passionate teacher and believe that every child is unique and has the capacity to learn. By working closely with the staff I will ensure that all children receive an outstanding education and strive hard to provide them with a challenging, well-balanced, innovative, and personalised curriculum. I have high expectations for all of the children and take great pride in the successes of the children I have taught over the years. I feel confident that Deer Park School will provide a nurturing and stimulating environment, where children

will be happy, independent and motivated learners."

I am looking forward to getting to know the families that will create our community and to give each child a positive start to their education."*

Welcome to the team!
