June 19th 2015

Upcoming Events

- 3rd July onwards—home visits
- Meet the staff events at RACC Park-shot -Tuesday 14th July 9.30am or 6.00pm (we will also be sharing important information about starting school—please do try and come along to one of the sessions)
- Family Picnic—Saturday 18th July—12 noon in Old Deer Park (meet next to the playground)
- Uniform Fitting Day (date tbc)
- Stay and Play—Friday 4th September
- 7th September—Children start
- 21st September—All Reception children attend full days from this point forward

Family Picnic

Please do keep the 18th July free for an informal get together in Old Deer Park. Hopefully the weather will be fine and we can spend some time getting to know each other.

Dear Parents and Friends of Deer Park School,

It has been really lovely talking to so many of you on the phone this week and to hear about how excited your children are about starting school. With that kind of enthusiasm we will certainly be off to a flying start in September!

Myself, Sanah and Jenny will be attending a borough transition event next week where teachers and nursery nurses meet to share information about the children as they embark on the next stage of their learning journey. We're also looking forward to meeting with you on our home visits, so if we haven't as yet managed to book a time with you, please do email or phone on the contact details above.

I'm meeting with the uniform supplier on Friday to finalise the items for Deer Park's list. I will share this with you as soon as possible so that you can start to purchase the items you'll need for September.

As always, please don't hesitate to get in touch.

Alison Colenso

After School Clubs

Clubs

We're already starting to put a plan together for really excellent after school provision, and we'd like to know your thoughts on what your child would like. Are they interested in sports, music, foreign languages? Maybe they are creative, or interested in science? Please do get in touch via any of the methods above and let us know.

Classroom layout

Obviously it isn't possible to see inside the school at the moment—so I thought it might be useful to share the plans we're working on for the internal classroom layout. (see following pages) I've absolutely insisted on the highest quality furniture and fittings for the children at Deer Park and we will have a classroom, resources and outside area that will be the envy of all!

Clubs—What would your child like?

Pre-inspection Ofsted

We are delighted to announce that we have had our pre-opening Ofsted inspection. This inspection is a standard aspect of opening any new school and is organised to check that we have completed the wide range of tasks required to be carried out during pre-opening. It also exists to ensure that Ofsted is content that we have all the policies and procedures in place to help us deliver a high-quality education to children from the local community from September.

While the report is not published and we are not allowed to say exactly how we got on, what we can say is that the Trust and I were delighted with how the day went and are fully confident that we will continue the excellent progress we have made to date through to opening and beyond.
