Curriculum Meeting

For those parents that couldn't make our 'Meet the Staff' events last Tuesday, we will hold another afternoon/evening in early September to explain the Foundation Stage curriculum to you. Date TBC.

Dear Parents and Friends of Deer Park School,

Another wonderful week topped off by the fabulous picnic on Saturday—thank you so much for making the afternoon so enjoyable. Myself, Sanah and Jenny were delighted to be able to spend time getting to know you and your children and we were left in no doubt that this first class have already started to make friends! An enormous thank you, I'm sure you will all agree, must go to Daisy's dad, Robert for entertaining the children with his talented balloon twisting that enthralled the children (and most of the adults as well).

Also this week we have appointed a teaching assistant and an extended schools leader to the Deer Park team. This means we are now fully staffed ready for September.

The works needed to adapt the temporary accommodation into our beautiful functioning school will start in the next couple of weeks. I will keep you posted and take lots of pictures as the building is transformed.

As always, please do get in touch by any of the methods above.

Wishing you all a fantastic summer—see you in September!

Cool Milk

Please see the letter attached containing information regarding our school milk provider. All four year olds are entitled to free milk every day, with the option to continue the provision from age five onwards for a small payment. Either way, please register your child online, or with the form we have at school and 'Cool Milk' will do the rest. The postcode for the school is TW9 2RE.

Uniform

Don't forget to book a fitting with Stevensons where you can purchase everything you'll need for starting school.

If you are a Richmond resident and don't currently have a

Richmond Card it is well worth applying for one. It entitles you to 30 minutes of free parking in Richmond car parks and from pay and display meters—also reduced parking costs for longer periods of time. It also serves as a library card and there are discounts to be gained from the borough's sports and leisure facilities. More information available here;

The next few pages have some pictures from our family picnic. We can't wait to welcome this delightful group of children to Deer Park in September! Happy Holidays!
